2. EQUAL OPPORTUNITIES POLICY

The aims of this policy are to ensure that:

- No-one receives less favorable treatment, on grounds of any protected characteristic (including age, disability, gender reassignment, marriage/civil partnership, pregnancy/maternity, race, religion/belief, sex and sexual orientation); or is disadvantaged by any conditions, requirements, provisions, criteria, procedures or practices that cannot be justified on any other grounds.
- No-one is victimized for taking action against any form of discrimination or harassment, or instructed or put under pressure to discriminate against, or harass, someone on the above grounds.
- The organization is free of unwanted conduct that violates the dignity of workers or creates an intimidating, hostile, degrading, offensive, or humiliating environment.
- Opportunities for employment, training and promotion are equally open to male and female candidates, candidates from all racial groups, candidates with or without disabilities, and candidates of any age, and of any sexual orientation, religion or belief.
- Selection for employment, promotion, transfer, training, and access to benefits, facilities and services, will be fair and equitable, and based solely on merit.

This policy applies to all aspects of employment, from recruitment to dismissal and former workers' rights.

We will take the following steps to put the policy into practice and make sure that it is achieving its aims:

1. The policy will be a priority for the organization.
2. Mr. Paul Childs the Managing Director will be responsible for the day to day operation of the policy.
3. The policy will be communicated to all workers and job applicants and will be held for everyone to see on file in the main office.
4. Employees and their representatives, where appointed, will be consulted regularly about the policy, and about related action plans and strategies.
5. All employees will be trained on the policy, on their rights and responsibilities under the policy, and on how the policy will affect the way they carry out their duties. No-one will be in any doubt about what constitutes acceptable and unacceptable conduct in the organisation. Unacceptable conduct includes discrimination and harassment at work-related social functions.
6. Managers and employees in key decision-making areas will be trained on the discriminatory effects that provisions, practices, requirements, conditions, and criteria can have on some groups, and the importance of being able to justify decisions to apply them.

----------	--------------	--------------

7. Complaints about discrimination or harassment in the course of employment will be regarded seriously, and may result in disciplinary sanctions, and even dismissal. The grievance procedure will be published in a form that is easily accessible.
8. Opportunities for employment, promotion, transfer and training will be advertised widely, internally and externally and all applicants will be welcomed, irrespective of race, colour, nationality, ethnic or national origins, gender, sexual orientation, disability, age, religion or belief.
9. All employees will be encouraged to develop their skills and qualifications, and to take advantage of promotion and development opportunities in the organisation. All employees carrying out work of 'equal value' will receive equal pay, regardless of their sex, race or any other protected characteristic, and equal pay audits will be carried out as necessary.
10. Selection criteria will be entirely related to the job or training opportunity.
11. We will make reasonable changes to overcome physical and non-physical barriers that make it difficult for disabled employees to carry out their work, and for disabled customers to access our services.
12. We will take a flexible approach to working arrangements. We will consider requests for changes carefully and objectively, and will accommodate them unless it would cause significant difficulties to the business or employees.
13. Information on the ethnic and racial background, gender, disability, and age of each employee and applicant for employment will be collected and analysed, to monitor each stage of the recruitment process. The information will be held in strictest confidence and will only be used to promote equality of opportunity. Information about the religion/belief and sexual orientation of employees may also be monitored. Monitoring may include promotion and training if necessary.
14. If the data shows that people from particular groups are under-represented in particular areas of work, lawful positive action training and encouragement will be considered for workers and others from that group, to improve their chances of applying successfully for vacancies in these areas.
15. Grievances, disciplinary action, performance assessment, and terminations of employment, for whatever reason, may also be monitored by gender, racial group, age, disability, religion/belief and sexual orientation if necessary.
16. Requirements, conditions, provisions, criteria, and practices will be reviewed regularly, in the light of the monitoring results, and revised if they are found to, or might, unlawfully discriminate on any of the above grounds. We will also regularly review advertising, recruitment and application materials and processes, and this policy.
17. The effectiveness of the policy will be monitored regularly and reviewed annually. A report on progress will be produced each year and made available to all interested parties on request.
18. Customers and clients will be made aware of the policy, and of their right to fair and equal treatment, irrespective of race, colour, nationality, national or ethnic origins, sexual orientation, gender, religion/belief, disability or age.
19. Fair and equal treatment will be given to customers and members of the public by all staff. The business will investigate any complaints from staff that they are being harassed by a customer for reasons linked to protected characteristics, and take suitable action to prevent further incidents.

20. The business will take all necessary steps to ensure that employees are legally entitled to work in the UK, making sure that employees from outside the EU have permission to work here by checking the validity of documents and keeping copies of them for two years after the employment has come to an end.

This policy has been endorsed by all the Company's Directors and has the full support of the senior management of the Company

The policy was initially approved on 14th July 2015, following consultation with senior managers and the workforce and reviewed each year and the last revision dated is indicated below

Overall responsibility for the effectiveness of the policy lies with Mr. Paul Childs, Managing Director.

Signed.....Kellianne Gray

----------	--------------	--------------

Sex Discrimination:

Women are generally under-represented at senior levels of management and in certain types of work

The aim of this policy is to ensure equality of opportunity in employment matters and the removal of barriers that prevent women from realising their career potential.

In addition, the Company wants to maintain the good practices that encourage the return of women to work.

Age:

The Company recognises its obligations under the Age Discrimination Act 2006.

Discrimination on the grounds of age can be unjust and to the detriment of the Company in that it wastes talent and considerable experience.

We will not make assumptions about commitment, motivation, maturity or suitability on the basis of age alone.

We will adopt good practical policies with respect to older and younger people and eliminate unjustified age related criteria from all aspects of employment, development and utilisation.

Race Equality:

The Equality Act 2010 places a duty on every employer to make appropriate arrangements with a view to ensuring that their various functions are carried out with due regard to the need to eliminate racial discrimination and to promote equality of opportunity and good relations between persons of different racial groups.

The policy aims to achieve equality of opportunity in all employment matters including giving encouragement and the use of positive action measures to people from ethnic minorities to apply for positions in the Company.

Disability:

The Company will adopt measures to increase the number of people with disabilities within the workforce and will arrange, where appropriate, to adapt premises and provide equipment to aid in their employment.

We take a positive view towards the employment of people with disabilities and wish to work towards the removal of barriers that may prevent them from achieving their true potential.

We will promote a positive attitude towards people with disabilities and assist those responsible for employment decisions and staff supervision to introduce measures that will enable people with disabilities to lead a normal working life.

Religious Beliefs:

Issue: 5	Page 7 of 11	Date: Jan 24
----------	--------------	--------------

We will attempt to accommodate the religious needs of all our staff, so far as is reasonably practicable, having regard to the circumstances of the individual case, the needs of the person and the operational requirements and efficiency of the Company.

Sexual Orientation:

The Company believes that people should not be discriminated against on the grounds of their sexual orientation.

We seek to provide an environment where individuals will not be discriminated against in respect of the recruitment, employment or service delivery.

Whether people disclose their sexual orientation is a personal matter and the Company will not seek this information for the purposes of employment or service delivery.

Marital Status:

We are committed to ensuring that all members of staff and applicants for employment, regardless of their marital status, shall have equal opportunity for employment and advancement on the basis of objective, non-discriminatory work related criteria.

Harassment:

The Company believes that every member of staff has the right to be treated with dignity and respect at work within an environment that supports them.

Harassment is defined as a range of unsolicited behaviour which, whether intentionally or not, creates feelings of unease, humiliation, intimidation or discomfort, causes offence or threatens, or appears to threaten job security.

All staff, particularly those with supervisory responsibilities, have a duty to challenge and eliminate harassment.

To support this policy, the Company has appointed an Equal Opportunities Co-ordinator to provide an independent contact point for members of staff who feel subjected to any form of harassment.

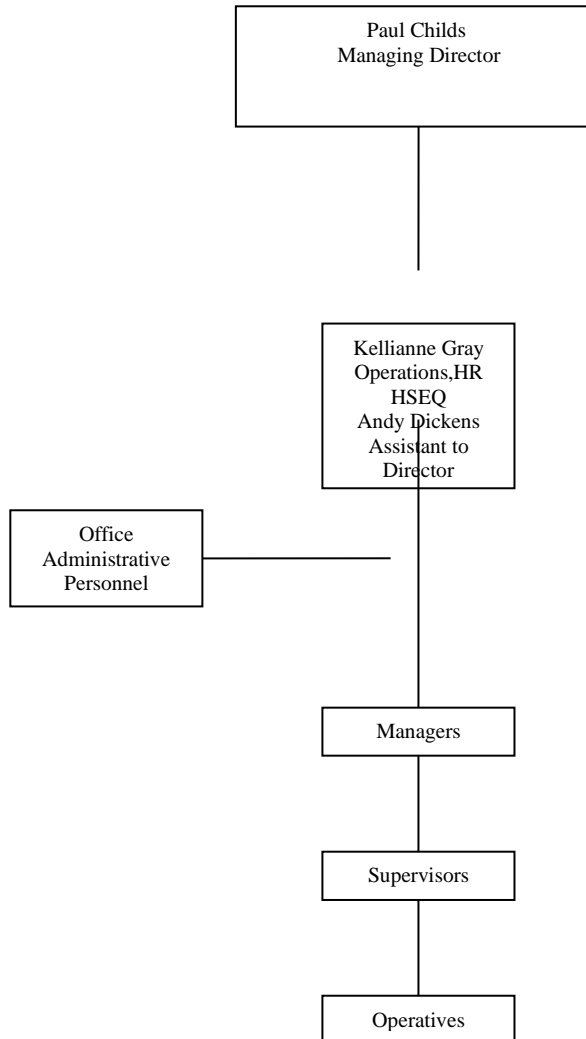

Service:

The Company will ensure that, in providing its services to its Customers, it will treat people with dignity and respect regardless of their gender, age, race, ethnic origin, nationality, disability, religious belief, sexual orientation or marital status and that our policies and procedures are designed so as not to discriminate, either intentionally or unintentionally, against any group or individual.

We will seek to respond sensitively to any special needs experienced by particular groups.

We recognise that a workforce that broadly reflects the composition of the public in which it serves will be in a better position to provide services that meet the needs and expectations of all concerned.
