CORPORATE SOCIAL RESPONSIBILITY POLICY**

Interpump Hydraulics (UK) Ltd believes in conducting business in a manner which achieves sustainable growth whilst demonstrating a high degree of social responsibility. We believe that this approach creates a source of competitive advantage for our business.

Our responsibility encompasses interaction with:

- Our marketplace
- Our environment
- Our community and
- Our people

Demonstrating our commitment to Corporate Social Responsibility is a journey, in the course of which, we aim to align our business values, purpose and strategy with the social and economic needs of our stakeholders, whilst embedding responsible and ethical business policies and practices in everything we do.

By working together with our stakeholders and embracing CSR, Interpump Hydraulics (UK) Ltd opens doors to new markets, opportunities and relationships, increasing competitiveness and profitability and demonstrating our continued commitment to sustainable development.

Interpump Hydraulics (UK) Ltd is committed to the following CSR principles:

- We manage our business with pride and integrity
- We are committed to full legal compliance in all we do
- We aim to provide a safe, fulfilling and rewarding career for all our employees
- We will continue to develop community programmes which support our brand values and further promote recognition as an active contributor to local community development
- We actively assess and manage the environmental impact of our operations
- We will further develop our standing as a responsible business in the community
- We will continuously review what we do in order to improve our CSR performance
