Health & Safety Policy

Interpump Hydraulics (UK) Ltd general policy is to: -

1. Provide adequate control of the health & safety risks arising from our work activities,
2. Consult with our employees on matters affecting their health & safety.
3. Provide and maintain safe plant and equipment.
4. Ensure safe handling and use of substances.
5. Provide information, instruction and supervision for employees.
6. Ensure all employees are competent to do their tasks and to give them adequate training.
7. Prevent accidents and cases of work related ill health.
8. Maintain safe and healthy working conditions.
9. Comply with, as a minimum, current legislation.
10. Communicate the policy and requirements to all levels within the company.

The Directors have overall responsibility for company health and safety with individual employees taking responsibility for their own activities.

Signed,

PA Childs
